

## Diaper Bag Kits for Children and Families

### *HELP a child in Early Head Start – supplies needed!*

HumanKind's Early Head Start program provides support for parents and free, full-time child care for infants and toddlers. With your help, our centers can provide the necessary supplies a child needs in child care — easing the burden on parents.

This additional support allows parents to be empowered to gain better employment, secure housing in safer neighborhoods, and build a strong foundation for life.

Your gift will directly benefit economically struggling families by meeting their basic needs without jeopardizing the household's financial position. When basic needs are met – parents can focus on providing food and supplies at home, while their children can develop to reach their full potential and be ready for school.

Please coordinate a drive to provide supplies for as many children as possible.

### **BENEFITS OF PARTNERSHIP**

By providing help for families as a corporate and community partner, we would like to offer the opportunity to feature your business logo on our website, and a feature on our social media platforms. Recognition as a donor and corporate partner in the HumanKind Annual Report.

### **HOW YOU CAN GIVE**

#### **Sponsor a child in child care today**

Collect items listed on our most needed items list provided on the back. Diaper Bag kit donations can be delivered to our main campus.

#### **Donate a Diaper Bag Kit – for one child or more**

**For just \$32**, you can provide a child everything they need while they play, learn and grow! Your gift will stretch so far because it will be combined with donations and the work of volunteers. We can even set up a personalized donation page for your group! **Contact us today.**

#### **Want to leverage your gift further?**

Offer a match for all donations made for Diaper Bag Kits up to a given amount. Matching gifts are incredibly impactful ways to make a difference. **Contact us to learn more.**
